Misaki~ Are you ready or not?

*clack ガチャ

Tadah!

*flip ?!

It's not a magic show.

Hehehe, how is this?

That suits you!

It's surprising.

Your clothes are exactly what I expected you to wear.

Same goes for you!

Today, we exchanged our clothes and ran a fashion show at home.

第二話
Chapter 2

You're cute Tsubasa-chan and everything suits you well, it's amazing~

Really?

You're cute and it's rather beautiful when you wear those clothes.

What's that thing on your head? Do you have a flower in your hair?

I'll make you one too when your hair gets longer.

Can I touch it...?

It was sex between two girls, but it didn't feel unpleasant.

We even had sex and I didn't not like it. What does this mean?

At school she's pretty dull and doesn't get noticed, I honestly didn't even remember her face (How cruel!).

Oosawa-chan is cool and reliable, she's like a charming prince that appeared out of nowhere in front of my clumsy and slow self.

I kind of feel happy and good right now.

Your boobs are really big, Misaki.

Woah!

My clothes are bursting because of them.

I wish my boobs were one size bigger.

#hug ギュッ♡

Even if they are small, they're soft and tender, so soft...

Tsubasa-chan, your boobs are cute! And their shape is beautiful too...

They're too small!

Ha~ I have to punish that naughty Misaki.

#blindfold パサッ...

What!

Tsubasa-chan's a bit sadistic. Wait, am I sadistic too?
But I'm enjoying her teasing me, does that mean I'm a maso-chist?
I wonder if I'm glad because Tsubasa is interested in me?
Oh no, a blind-fold?!
Kya!
Ah!
You don't mind at all!
You're even smiling.
She noticed...
*Smack
Hmm... I'm a bit worried since I can't see.
Are you getting sensitive because you realized what's happe-ning?
*swack

What's up?
Hmnaaaah!
Eh, did she just read my mind?

*undress

Oh?

I'll warm you up then.

Uwawawah

*thud

Ah, so hot... The sensation of her tongue, it's bewildering.

*smack

You're undressing me!? It's cold!

So obedient.

That's alright, you're good enough to eat.

We look like an animal and its prey.

I'm going to lick your most easy-going and enjoyable place a lot.

You,

have a stomach band!?

*reveal

Ah...

I forgot to take it off.

haa!

You're wearing that even outside of winter?

I get colder during summers because of air conditioning.

Ah, I see...

It can't be helped because it's dad's.

that it's old fashi-oned,

Even with that.

Your clothes are cute but behind that you have an old man stomach band!

Ahahaha

Come on! Even though there are cute belly bands, you wear that?

I didn't show them to anyone...

until now,

*click カチッ

It's not just your belly band, your bra and your panties are the same.

But,

*flirting いちゃ

Alright.

Then next time, let's go buy ///cute panties together.

...Ah, I...see...

She's changed you know.

Ah? Yeah.

Misaki, you're with Oosawa-san a lot recently.

Recently, Oosawa-san has been making a strong impression, I was stunned.

The other night I saw her together with a salary man.

Maybe it's because of the start of summer?

She hasn't changed, she's just her true self.

hehe

I don't think so.

No, there was another girl with her.

She was alone with him?

Gya, a three-some?

It felt absolutely abnormal.

Why are they saying that?

What...

Seriously?

Maybe you can get them as a set.

Don't say those horrible things without even knowing anything about Tsubasa-chan. That—that's horrible...

...I haven't heard anything, but

Misaki, did you hear anything about that?

They accused her even though they don't know anything.

Sorry we said bad things about someone you're friends with, we were just speculating.

uh

Y-You don't have to cry.

Tsubasa-chan is certainly mysterious.

I also don't know what she does, how she usually is, or how her family is either.

Class is starting!

Frankly she has a bad mouth too, but

she's not a bad person, I felt it when we were together. In my opinion, she's a strong person, I'm convinced she is.

There's no way she's a prostitute...

*clack

That's right, their talk earlier was most likely a mistake.

Tsubasa-chan...

Yes.

Fine, take a seat.

Sorry for being late.

Her face is swollen?

I-I'm doubting her, I shouldn't do that.

I...how should I approach her?

But then what happened to her face? Do I have to ask her?

Could it be that a horrible partner...

rattle

Tsubasa-chan, let's go to the infirmary!

What?

*ding dong

But first, first I...

That's it for today.

*rattle

It's already a big deal!

It's fine, I don't want to make a big deal out of this.

I'm part of the infirmary committee, so leave it to me.

*rattle

*rattle

Why is the nurse not here now of all times!

...

Very scary.

How did she get those scars? She couldn't get hurt like that without someone hitting her.

With a closer look I noticed it's not only her face, her arm and wrist are red too.

This is scary.

I can't understand how someone could hit a little girl like that, it's completely beyond me.

What's wrong? Why don't you ask?

You're curious about these injuries...

*tatele

She got dragged into it?

Why is Tsubasa-chan in a scary situation like that?

It's fine, please ask anything you'd like.

*clench

you're a...

prostitute?

Is it true that...
